UNITED WAY CENTRAIDE SIMCOE MUSKOKA

To improve lives and build communities by leveraging collective resources and mobilizing collective action to achieve the greatest impact. Everyone in Simcoe Muskoka deserves a chance to lead a good life. This conviction drives thousands of dedicated donors, volunteers and community partners to come together through United Way Simcoe Muskoka to generate the caring power to advance measurable, lasting change in our region – for today's residents and for generations to come.

SUNNYBROOK HEALTH SCIENCES CENTRE

From a beginning as a hospital for Canadian veterans, Sunnybrook has flourished into a fully affiliated teaching hospital of the University of Toronto, evolving to meet the needs of our growing community.

Today, with 1.3 million patient visits each year, Sunnybrook has established itself across three campuses and is home to Canada's largest trauma centre.

Sunnybrook's groundbreaking research changes the way patients are treated around the world. Our over 200 scientists and clinician-scientists conduct more than \$100 million of breakthrough research each year. Tomorrow, we will discover ways to treat the untreatable.
